

Int'l Appl. No. : PCT/EP2003/011192  
Int'l filing date : October 9, 2003

### REMARKS

Amendments have been made to the claims based upon the claims as amended under Article 34 PCT filed in response to the Written Opinion. The claims have been further amended to conform with the rules of practice before the U.S. Patent and Trademark Office.

The specification has been amended to recite the International Application and priority application. The word "CLAIMS" has been deleted and substituted by "WHAT IS CLAIMED IS" so that subsequently appearing claims will be the object of a sentence as specified by M.P.E.P. section 608.01(m). As a result of this preliminary amendment, Claim 15 has been cancelled. Claims 1-14 and 16 have been amended. Accordingly, Claims 1-14 and 16 are presented for examination. No new matter is being added herewith.

### Abstract

An Abstract on a separate sheet is included herewith.

### **Conclusion**

Should there be any questions concerning this application, the Examiner is invited to contact the undersigned agent at the telephone number appearing below. Please charge any additional fees, including any fees for additional extension of time, or credit overpayment to Deposit Account No. 11-1410.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
